Contributed Papers	Page
Speed of hybrid maize adoption in Thailand: An application of duration analysis <i>Sutthiporn Poolsawas and Orachos Napasintuwong</i>	1
Disease resistance screening protocol against rice (<i>Oryza sativa</i> L.) brown spot (<i>Bipolaris oryzae</i> Shoem.) and blast (<i>Magnaporthe oryzae</i> Hebbert Barr) diseases using abscissic acid (ABA) assay <i>Vanica Lacorte-Apostol, Edna A. Aguilar and Hei Leung</i>	14
Susceptibility of onion armyworm, <i>Spodoptera exigua</i> (Hübner) (Lepidoptera: Noctuidae), larvae to <i>Spodoptera exigua</i> multiple nucleopolyhedrovirus (SeMNPV) <i>Melissa P. Montecalvo and Marcela M. Navasero</i>	23
Nutrient dynamics and uptake of rice in irrigated lowland soils of Agusan del Norte subjected to episodic flooding <i>Genevive A. Nemeño, Pearl B. Sanchez, Erlinda S. Paterno, Rodrigo B. Badayos and Pompe C. Sta Cruz</i>	31
Effects of farmer-entrepreneurial competencies on the level of production and technical efficiency of rice farms in Laguna, Philippines <i>Christhaline A. Arellano and Julieta A. Delos Reyes</i>	45
Improving irrigation water efficiency in paddy agriculture through a better water pricing policy in the Jatiluhur irrigation area, West Java, Indonesia <i>Heri Rahman, Yusman Syaikat, M. Parulian Hutagaol and Muhammad Firdaus</i>	58
Consumer evaluation of nutmeg products in Bogor Regency, Indonesia <i>Riskina Juwita, Shiro Tsuchida and Nina Nocon-Shimoguchi</i>	70
Propagation techniques for rapid establishment and production of cocoyam (<i>Xanthosoma sagittifolium</i> (L.) Schott) <i>Hidelisa D. de Chavez, Efren B. Villavicencio, Virgilio T. Villancio, Jose Nestor M. Garcia, Mary Jean G. Bulatao, Maria Lea H. Villavicencio and Jclyn Jazel B. Bondad</i>	83
Efficacy and residual activity of <i>Lecanicillium kalimantanense</i> and <i>Helicoverpa armigera</i> Nucleopolyhedrovirus (HearNPV) against corn earworm <i>Helicoverpa armigera</i> (Hubner) (Lepidoptera: Noctuidae) under field conditions <i>Sempurna Ginting, Teguh Santoso, Yayi Munara K, Ruly Anwar and Lisdar I. Sudirman</i>	95
Technology transfer pathways of information and communication technologies for development (ICT4D): The case of the Weather-Rice-Nutrient Integrated Decision Support System (WeRise) in Indonesia <i>Iris D. Bugayong, Keiichi Hayashi, Nelson J. V. B. Querijero, Maria Excelsis M. Orden, Nurwulan Agustiani, Lia Hadiawati, Idri Hastuty Siregar, Wilfredo B. Carada and Vella A. Atienza</i>	104
Soil and vegetation analysis of rehabilitated and unrehabilitated area in an inactive mined out site in Mogpog, Marinduque, Philippines <i>Katrine Mae B. Mante, Nina M. Cadiz, Virginia C. Cuevas and Carmelita C. Rebanco</i>	118
The nitrogenase activity and indole-3-acetic acid production of <i>Azospirillum</i> spp. isolates from rice root and rhizosphere soil and their efficiencies on growth promotion of rice <i>Panida Preepremmot, Suphachai Amkha, Sirinapa Chungopast and Thongchai Mala</i>	130

Contributed Papers	Page
The influence of farmers entrepreneurial behavior on the business performance of dairy farmers in West Bandung Regency, Indonesia <i>Hedita Ashilina, Lukman M Baga, and Siti Jahroh</i>	143
Impacts of the community education on farmers' knowledge and behavior in pesticide use toward pesticide risk reduction in Vietnam: A case study in vegetable production <i>Do Kim Chung and Nguyen Viet Dang</i>	155
Intention to adopt a new variety of paddy among farmers in Terengganu, Malaysia <i>Nur Syuhada Zanul Din, Nurul Nadia Ramli, Nolila Mohd Nawi, Juwaidah Sharifuddin, Rika Terano and Zainalabidin Mohamed</i>	165
Effects of paraquat dichloride application on soil arthropods, soil chemical and physical properties in oil palm cultivation <i>Dadang, Arief Hartono, Lia Nurulalia, Bonny Poernomo Wahyu Soekarno</i>	174
